

Houseplants Great for Underwaterers

Sometimes we forget to water our plants, it happens. A good way to adhere to a weekly watering schedule is to set an alarm on your phone when you know you'll be home. Below are some plants that are little more forgiving when forgetfulness ensues.

- Cactus
- Dracaena
- Euphorbia
- Hoya
- Kalanchoe
- Peperomia
- Ponytail Palm
- Sago Palm
- Sansevieria
- Schefflera
- *Soleirolia soleirolii*
- Succulents
- Yucca
- ZZ Plant
